

We Energize Life

# SmartHours® for Business

Manage your energy costs with discounted pricing for electricity during off-peak times, 19 hours each summer weekday and all day on weekends and holidays.

- If you're willing to manage the time of day that you use electricity, you can use what you need for less.
- Enjoy discounted prices on summer (June 1 – September 30) weekdays before 2 p.m., after 7 p.m., and all day on weekends and holidays.
- Conserving energy between 2 p.m. and 7 p.m., Monday – Friday, helps the grid, the environment and your bottom line.

## Key Benefits

### Best Bill Guarantee\*

If you don't save during your first year on SmartHours, you'll be reimbursed the difference.

### Smart Thermostat

Qualified customers may receive a smart thermostat at no out-of-pocket cost.

*\*The Best Bill Guarantee is applicable to General Service, Small Public School, Oil and Gas, and Municipal Pumping customers only and is not offered for Large Public School, Power and Light, or Large Power and Light customers.*
